### Sandblasting & Coatings :::

Fisher Tank Company is also in the coatings business! While we still use highly qualified subcontractors to paint or line our tanks, we have expanded our own services, and have full-time painting/coatings crews ready to serve all of your needs.

#### What does this mean to you?

- Security of using a contractor with 60 years of experience
- Better, faster service
- Only one contractor leading all of your construction efforts
- Standard 1-year guarantee on the tank and coatings
- Coatings Department supervisory staff has an average of over 25 years experience
